

INDAX

Indax is a division of

KORVEST LTD

KORVEST LTD

OUR VALUES.

SAFETY

Korvest is committed to continuously improving our safety standards and believes that every one has the right to go home from work in the condition in which they arrived. We are investing time, knowledge and resources to better understand risks and develop innovative ways to improve our systems, equipment and procedures.

QUALITY

We ensure our products are of the highest quality by manufacturing as much as we can from raw materials and by ensuring all imported products meet our stringent standards of quality.

CUSTOMER FOCUSED

We provide the highest standards of service to all our customers, no matter how big or how small the job. Our staff understand our products and work with you to ensure your needs are met, from the first phone call until the product is delivered and installed.

RELIABILITY

Our products and our service are reliable. We work with our customers to understand their needs and deliver the products in line with agreed expectations.

FLEXIBILITY

The range of products and capabilities across our three divisions means we have the flexibility and capability to meet your needs.

INDAX

Indax is a fast growing supplier of premium walkway infrastructure and a division of Korvest Ltd, one of Australia's leading infrastructure providers.

Korvest delivers unique solutions to Australia's biggest mining and industrial construction companies with a range of standard, customised and innovative products.

As an established, publicly listed company with Hills Industries as a major shareholder, Korvest offers nearly 40 years' experience producing high-quality products.

At Indax, we believe our service, products and innovative solutions are second to none. Our flexible, personalised approach means we supply stock or fabricated panels to specific requirements in untreated and galvanised finishes.

Premium suppliers of gratings, handrails, stanchions, mesh and other walkway infrastructure.

SOLUTIONS

Indax staff work closely with our customers to develop a design and layout for grating and stanchions.

CUSTOMISED

Indax provides custom fabrication for grating and handrail panels – we can work from your drawings to produce the products you need for your project.

QUALITY

Indax has rigorous fabrication quality control measures which meet industry standards. The onsite galvanising facilities of sister company Korvest Galvanisers means we provide high-quality products with a fast turnaround.

SERVICE

We can coordinate the transportation of materials and after hours pick up is available by arrangement.
